You are encouraged to submit proposals at the earliest possible date on Board of Game proposal forms available from the Boards Support Section regional offices and on the website at: www.boardofgame.adfg.alaska.gov. All proposals must contain an individual's first and last name and an organizational name if appropriate, contact telephone number, and address. Regional proposals must specify the applicable region or Game Management Unit.

The board encourages individuals or organizations to communicate and coordinate with others in the development of proposals. Local fish and game advisory committees (AC) are an excellent resource and the collective knowledge and experience within ACs may help improve proposals. Information about the 84 local fish and game advisory committees around the state is available at <https://www.adfg.alaska.gov/index.cfm?adfg=process.advisory>. You can also work with area staff from the Department of Fish and Game to better understand the current regulations, and what the effect(s) of your proposed change may be. Area staff contact information can be found on the ADF&G website at <https://www.adfg.alaska.gov/index.cfm?adfg=contacts.main> www.adfg.alaska.gov/index.cfm?adfg=contacts.main.

Providing clarity on the proposal form helps the board, advisory committees, and the public more fully understand the proposed regulatory changes. Proposals that are incomplete or unclear may be omitted from the proposal book. You are encouraged to contact the Boards Support Section staff if you have questions or need assistance with completing the proposal form. Proposals published in the proposal book will be referenced with the appropriate Alaska Administrative Code citation and include a brief description of the action requested. Proposals with emotionally charged language will be rejected or redacted as they detract from the substance of the proposal, may draw opposition not germane to the element(s) of the proposal, and may elicit nonresponsive charges from the public/board members. Proposals not meeting this call or submitted late will not be published.

Proposal books will be available to the advisory committees, agencies, and the public at www.boardofgame.adfg.alaska.gov for review and comment.

Proposals received per the above "Call for Proposals" deadline will be considered by the Board of Game at their Southeast and Southcentral Region meetings scheduled for [insert specific meeting dates and locations].
