

PROPOSAL 194

5 AAC 85.020. Hunting seasons and bag limits for brown bear.

Extend the brown bear hunting season in Unit 14C Remainder to June 30 as follows:

What solution do you recommend? In other words, if the board adopted your solution, what would the new regulation say?

Extend the brown bear season in Unit 14C Remainder as follows:

Unit 14C remainder

One bear every regulatory year

Sept. 1- **Jun 30** [Jun 15]

What is the issue you would like the board to address and why?

Lengthening the season in Unit 14C Remainder to June 30th would align the end date with Units 14A, 14B, 7 and 15. An additional two weeks should pose no biological concern and will add additional hunting opportunity.

Did you develop your proposal in coordination with others, or with your local fish and game advisory committee?
