

**RESOLUTION
POPOF ISLAND BISON**

WHEREAS Popof Island Bison are a non-native introduced species and occur predominantly on land in private ownership, and

WHEREAS there is no practical access without concurrence by the land owners;

THEREFORE, be it resolved the Board of Game concurs that Popof Island bison can be declared surplus by the commissioner with the stipulation that live animals not be removed from the island and that the herd size be maintained at a level established by the Department of Fish and Game.
