## Long-Term Meeting Cycle

(Three-year cycle)

The board meeting cycle generally occurs from October through March. The board considers changes to regulations on a region-based schedule. The fisheries include subsistence, sport, guided sport, personal use, and commercial. Special petition and agenda change request procedures are available for the board to consider out-of-cycle requests.

**NOTES:**

- 1) In the year preceding a board cycle, the board will announce a call for proposal that prescribes which regions, species, and fisheries are set for regulatory review.
- 2) The proposal deadline is April 10 every year. If April 10 falls on a weekend, the proposal deadline is the Friday preceding that weekend.
